Thank you for agreeing to be on the Programme.

LifeWorks!

BETTER CONNECTIONS

Hosted by
SAKTHVEL THEVAR TR

The intent is to

- showcase individuals who live their lives with passion. And turning this Passion into Action in the form of a business, or a movement, which the individual is leading
- inspire viewers and listeners to discover their own passion, and start their actions to live their life with passion

The intent is to

- have industry experts and leaders to share their expertise, and experience where they applied themselves (knowledge and skills) to solve industry-level challenges
- inspire and showcase our speakers as role models and the experts of their industry

- How have you applied your passion to what you are currently doing – business, social movement, being inspiration to others
- What were the highlights of your current journey living the passion that you have
- How did you arrive at the success which you are currently at today
- How do you keep your passion alive today and for the many more years to come
- What advice do you have for others who are looking to live their life with passion
- Rapid questions
 - What do you want to be remembered for
 - What legacy do you want to leave behind
 - Where do you see yourself in 5 years
- What advice do you have for others who want to follow in your footsteps and/or to search for their own passion
- How can the viewers reach you
